Award Description	Food Policy at State Parks: The Delaware Department of Natural Resources (DENREC) developed an initiative called “Munch Better at Delaware State Parks” to provide healthier choices for visitors to state parks. Healthier alternatives were introduced in vending machines, stores and concessions. The initiative was promoted using earned media, paid media and signage at the parks. The kickoff included information on healthy food choices and a taste test for. The University of Delaware (UD) conducted an evaluation of the program and provided some recommendations which are being implemented in the second year of the program. Additional healthier foods have been added to the menus at the concessions. Evaluation of the entire project will be	**Total Amount of Payments to Vendors less than $25,000/award**	0.00

conducted by UD with data provided by park staff.East Coast Greenway Signage (ECG): Signs were created and recently installed in selected places on the road portion and trail portion of the East Coast Greenway. . The Department of Transportation is conducting community outreach to promote the ECG. A baseline survey prior to the installation of signs was conducted by UD to determine public use and knowledge of the East Coast Greenway system. UD will conduct a post- sign installation survey in the fall. Statewide Bicycle Facilities Map: The Delaware Department of Transportation (DelDOT) developed new bicycle maps which includes facilities. Maps are due to be completed in July 2011. DelDOT developed a plan to disseminate the maps to the public. Complete Streets Policy: The University of Delaware's Institute for Public Administration (IPA)has provided technical assistance to Delaware communities on including complete streets principles in their comprehensive plans. IPA developed a matrix to use to review municipalities comprehensive plans for complete streets language. IPA developed an on-line Health Impact Assessment (HIA) toolkit, part of their Healthy Communities Toolkit which includes a variety of resources such as walkability, bikeability and comprehensive plan assessment tools. ALA held training and technical assistance meetings to local politicians, policy makers and community leaders on the MAPPS intervention strategies for tobacco. Mini grants were made available for the
